

EDUCATION BY THE NUMBERS

Brought to you by:

How long the NH College & University Council has operated as a non-profit consortium of public and private institutions of higher education in the state.

\$300 Million

Average capital expenditure on campus infrastructure statewide annually.

92,000

Number of undergraduate and graduate students attending NH colleges and universities.

Did you know?

The salaries, wages and benefits of college and university personnel totals just over \$1 billion annually.

\$950 Million

The estimated annual spending by faculty, staff, students and families in NH's local communities.

\$6 Billion

Total economic impact of higher education on NH's economy.

Founded in 1966, the NHCUC's mission is the advancement of public and private higher education in the state. Through collaborative efforts between member colleges and universities, the consortium enhances educational opportunities for NH students currently attending member institutions.
