**NEW HAMPSHIRE COLLEGE & UNIVERSITY COUNCIL  
CREATES CENTRAL INFORMATION LINK FOR FAMILIES**

*Online Web Link Updates All Announcements for 21 Public and Private  
Universities and Colleges in New Hampshire*

**CONCORD** – To effectively share updates and critical information related to COVID-19, the New Hampshire College and University Council (NHCUC) now provides online daily updates for all 21 member schools. Given the changing nature of the response, this link can be used by students, families and the employees of all NHCUC member colleges and universities.

“Information is being updated and changed on a daily basis, we want to make sure families have the information they need,” says Debby Scire, President and CEO of the New Hampshire College and University Council. “By compiling this information in one place and providing daily updates, this keeps families informed and offers a way to share best practices.”
